

TELEDYNE IMPULSE

A Teledyne Technologies Company

Teledyne Impulse is pleased to announce GTS Consulting, Inc. as our new representative for the western United States (California, Arizona, Idaho, Nevada, Oregon, Utah, and Washington). Steven D. Gloor, the principal owner of GTS Consulting, Inc. will travel throughout the territory to assist you in selecting the appropriate interconnect solutions for your harsh environment applications.

GTS Consulting Inc.
Steven D. Gloor
2726 Shelter Island Drive, Suite 245
San Diego, CA 92106
Phone: 858-405-5810
Fax: 619-3424-2332
Email: info@GTS-Consulting.com
Web site: www.gts-consulting.com

Steven received an engineering and business degree in Switzerland and he previously worked for Impulse Enterprise (now Teledyne Impulse). During his tenure at Impulse, Steven was responsible for worldwide sales and then ran the company before leaving for an extended sailing voyage across the Pacific.

Steven will be working closely with you and the Teledyne Impulse inside sales and engineering staff on product support and customer service needs.
